What is Prayer?

For some, prayer is a familiar part of faith. For others, it might simply be a moment to pause, be still, reflect, or bring the things that matter to us into the presence of God.

Prayer Roots is a chance to do just that. To come together, try different ways of praying, and explore what faith might mean in the midst of everyday life. There's no special knowledge or experience needed, and you don't have to be a regular churchgoer.

Deep peace of the running wave to you.
Deep peace of the flowing air to you.
Deep peace of the quiet earth to you.
Deep peace of the shining stars to you.
Deep peace of the gentle night to you.
Moon and stars pour their healing light on you.
Deep peace of Christ,
of Christ the light of the world to you. Amen

If you would like to contribute a prayer, share news for prayer, or advertise your prayer gathering to others around the Mission Area please contact:

And of course – let's encourage one another by sharing experiences of God answering our prayers
